Simple Life

Finished size approximately 42” X 54”

Simple Life is a quick border solution to fit any size panel. Just adjust your border lengths to fit your panel!

Part One, Cutting the fabrics:
1. Square up your panel to your desired size. The size shown in the example measures 30½” x 42½” including seam allowance.
2. The finish size of the borders is 6”. Note if your border print is directional like the fabric shown in the sample and cut accordingly (i.e. one direction length of fabric, one direction width of fabric.) Measure your panel sides and cut two (2) side borders 6½” x length of panel (for the example shown: 6½” x 42½”).
3. Measure your panel width and cut a top and bottom border (2) 6½” x width of panel (for the example shown: 6½” x 30½”).
4. From the border print, cut four (4) 3½” x 3½” squares.
5. From the dark green, cut four (4) 3¼” squares.
6. From the light green, cut four (4) 3¼” squares.
7. From the rust, cut two (2) 3¾” squares.
8. From the tan, cut two (2) 3¾” squares.

Part Two, Piecing the block:
There are identical four blocks.
1. Draw a line, corner to corner on the wrong side of each of the light green and tan squares.
2. Place a dark green and a light green square right sides together. Sew a ¼” from each side of the drawn line.
3. Cut the unit apart on the drawn line, yielding two half-square triangle (HST) units. Press toward the darker color. Make a total of eight (8) green/green HST units.
4. Repeat Steps 2 and 3 using the rust and tan squares. Make a total of four (4) rust/tan HST units.
5. Sew a dark green/light green HST to the left side of a border print square as shown. Press to the square. Make four (4). (Unit 1.)
6. Sew a rust/tan HST unit to the left side of a dark green/light green HST oriented as shown. Press to the rust/tan HST. Make four (4). (Unit 2.)
7. Sew Unit 1 to Unit 2 oriented as shown to complete the block.
8. Sew the side borders to the sides of the panel. Press to the borders.
9. Sew a block to each short end of the top and bottom borders oriented as shown in the
